NSS Orientation Ceremony

Conducted Across 18 Departments/Institutes at CHARUSAT

The CHARUSAT NSS Unit conducted NSS Orientation Ceremonies across 18 departments and institutes at the beginning of the Academic Year 2023-24 As well 2024-25 , introducing first-year students to the objectives, mission, and impact of NSS. Led by the Program Coordinator, coordinated by Program Officers, and supported by Student Coordinators and Volunteers, the sessions aimed to instill a spirit of social service, leadership, and responsibility among new students.

The orientation covered the history and significance of NSS, the benefits of volunteering, and the various activities undertaken throughout the year, such as cleanliness drives, blood donation camps, and rural development programs. Special emphasis was given to the NSS Special Camp, where volunteers contribute to rural upliftment. Students were also informed about their roles, responsibilities, and the eligibility criteria for earning an NSS certificate. Senior NSS volunteers shared their experiences, inspiring new students to actively participate.

With enthusiastic engagement from first-year students across faculties, the orientation successfully fostered a culture of volunteerism and social commitment, reinforcing NSS CHARUSAT's dedication to nation-building and community service.

Lifeline Through Blood Donation Drives

"Donate blood, save lives—CHARUSAT NSS continues to make a difference!"

Blood donation is a simple yet powerful act that saves lives, and CHARUSAT NSS has remained dedicated to this noble cause. Over the academic years 2023-24 and 2024-25, the NSS unit successfully organized four Blood Donation Drives in collaboration with Red Cross, NGOs & CHARUSAT Hospital, ensuring a smooth and safe donation process for all donors. These drives witnessed an overwhelming response, with more than 500 donors from the CHARUSAT family—including students, faculty, and staff—stepping forward to contribute to this life-saving initiative.

Every unit of donated blood has the potential to save up to three lives, providing critical support to patients in need of urgent medical care due to accidents, surgeries, and life-threatening conditions. By actively engaging volunteers and spreading awareness, CHARUSAT NSS reinforced the importance of regular blood donation while dispelling myths and misconceptions. These drives would not have been possible without the unwavering support of CHARUSAT Hospital's medical team, NSS program officers, student coordinators, and dedicated volunteers. Their collective efforts fostered a strong culture of service and responsibility within the CHARUSAT community.

With a commitment to "Not Me, But You," CHARUSAT NSS continues to lead impactful initiatives that make a real difference in society and looks forward to organizing more such life-saving campaigns in the future.

Swachhata Hi Seva: CHARUSAT NSS Pioneering a Cleaner Tomorrow

Cleanliness plays a vital role in shaping a healthier and more sustainable society. Upholding this belief, the **CHARUSAT NSS Unit** has been actively contributing to the Swachhata Hi Seva movement by organizing **24+ Cleanliness Drives** over the academic years 2023-24 and 2024-25. These initiatives have witnessed the participation of **over 500 volunteers** from various faculties, along with enthusiastic support from local communities.

The impact of these cleanliness drives reached **more than 15 villages, including Padgol, Lawal, Petlad, Changa, Malataj, Dethali, Maliyataj, and others**. Volunteers worked tirelessly to clean public spaces such as schools, temples, roads, and market areas. In addition to physical cleaning efforts, they actively engaged with local residents to promote awareness about proper waste disposal, plastic reduction, and the significance of hygiene in daily life. Through rallies, awareness campaigns, and street plays, NSS volunteers encouraged villagers to adopt and sustain cleanliness as a community-driven effort.

Understanding that transformation begins within, CHARUSAT NSS also organized special cleanliness drives within **the university campus**. These drives served as a reminder to students and faculty that maintaining a clean and green environment is a shared responsibility. The enthusiastic participation of the CHARUSAT family reinforced the idea that small, consistent efforts contribute to a larger impact.

The **Swachhata Hi Seva** initiative aligns with the **vision of Hon. Prime Minister Narendra Modi**, who has continuously emphasized the importance of cleanliness in nation-building. By actively participating in this movement, NSS volunteers have demonstrated a strong commitment to creating cleaner surroundings and inspiring others to do the same.

As these efforts continue, CHARUSAT NSS remains dedicated to making a long-lasting impact. Every step taken towards cleanliness brings society closer to a **healthier future, where awareness transforms into action and responsibility turns into a habit**.

The Heart of NSS: Reflections from the Editor

Dear Readers,

As I pen down these words, I feel immense pride and gratitude. Designing the very first edition of the CHARUSAT NSS Magazine, "NSS- सेवा, समर्पण, सफलता," has been a remarkable journey—one that has deepened my understanding of the true spirit of NSS. This magazine is not just a compilation of events and reflections; it is a testament to the dedication and selfless service of every NSS volunteer who has contributed to society in ways both big and small.

For me, NSS is more than an organization; it is a way of life. The motto "Not Me, But You" has shaped my perspective, teaching me that true success lies in service. Every act of kindness, no matter how small, has the potential to create lasting change. Through this platform, I hope to inspire more young minds to embrace selfless dedication and continue this journey of impact and transformation. The experience of designing this magazine has been both challenging and fulfilling—filled with long hours of meticulous work and creative exploration. Every page reflects the enthusiasm and commitment of our volunteers. I hope that as you turn these pages, you will feel the same sense of fulfillment that I did while bringing it to life.

Before I conclude, allow me to share a small poem, dedicated to the spirit of NSS:

*From the early sunrise, we stand tall and bright,
Serving with smiles, spreading the light.
From villages to cities, wherever we go,
Planting the seeds of change, watching them grow.
Through camps and drives, we lend a hand,
Lifting spirits, building the land.
Not me, but you – we live by this way,
Together we shine, come what may.*

My heartfelt gratitude goes to our mentor, Mr. Kishan Patel, Program Coordinator of the NSS Unit at CHARUSAT, for his unwavering guidance and encouragement. His support has been instrumental in shaping this magazine and, more importantly, in shaping us as individuals dedicated to the cause of NSS.

As we close this edition, let us remember that the journey of service never ends. It continues in every project we undertake and every life we touch. NSS – सेवा, समर्पण, सफलता is not just a magazine; it is a movement, a legacy, and a promise to serve with dedication.

With this, We present to you the first-ever NSS Magazine of CHARUSAT—"NSS-सेवा, समर्पण, सफलता." May it inspire us all to continue this noble mission with passion and commitment.

With warm regards and unwavering NSS spirit.
